

## **Communications Committee Report AGM September 2016**

The Communications Committee has worked together with the Registrar and our Web Developer, Janka Mifsud, on finalizing the changes and updates to our Website, which was introduced in July 2016.

The committee has also been instrumental in assisting with the development of numerous communications with Registrants throughout the year. As well, we have begun revitalizing our Social Media presence on LinkedIn.

In the Spring, we embarked on the development of a cohesive Communication Strategy, which continues to be our focus.

A sincere thanks goes out to the volunteers from across Canada who have contributed to our efforts during the past year including Sumaiya Baqee (NL), Peter Campbell (ON), Sue Allardyce (MB), Hamza Noor Sahibzada (ON), Neil Pierce (AB), Dennis Shaw (BC) and Tamara Bilec (ON)

Respectfully Submitted,  
Sandra Preeper, MBA, CVRP(F), CCRC
